A dynamic, wireless subwoofer fusing stylish lines with impactful bass.

Beolab 19 delivers exceptional bass to enhance the mood and depth of cinematic experiences by channeling the raw impact of its stunning power. To top it off, the freedom of wireless simplicity and the ability to compensate for physical placement in the room allows you to find the perfect spot for the Beolab 19 in your home.

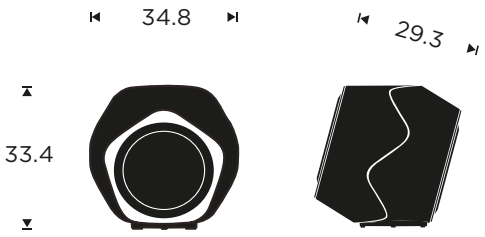

IMPORTANT FEATURES

- Compact subwoofer with wireless connectivity
- Bass response control for impactful bass irrespective of physical placement
- Dual woofers for eliminating cabinet vibrations
