The sound of things to come

Beo Grace. The future of what an earbud can be.

An earbud you won't just use, but wear. Proudly. Beo Grace lights the way for next-level sound and made-to-last craft. Formed from natural aluminium. Polished to a shine. A testament to 100 years of know-how. And of what's to come.

So, get carried away. This is the future of what an earbud can be.

Beo Grace tailors sound and silence in real time to give you a personalised listening experience. Where focus flows, and distraction fades into the horizon.

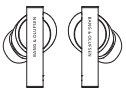

Why you'll love it

- Adaptive Active Noise Cancellation
- Spatial Audio (Optimised for Dolby Atmos®)
- IP57 dust & water resistant earbuds
- A masterclass in precision craft
- 5 min of charging will give 2.5h battery
